WHAT YOU CAN DO

1. Talk to your community about what life issue(s) they would like to become involved in or more involved in. You can use our Resources page to download resources - <http://www.consistent-life.org/downloads.html>.

Identify other organizations/faith communities you can work with, what has been done, what your group can do to help, and what additional projects are needed for advocacy that are realistic for your community. Then get started, and share what you are doing with CL!

2. Invite a CL speaker to your community or organization. We can help energize a group around life issues, help you to plan your next steps, etc.

3. Hold a workshop for your community about connecting two or more of the life issues, and how you can incorporate that into your social justice work.

4. Become a member of Consistent Life as an organization or an individual. Help us to spread the word! Also, if you would like to become a more active member, we have a lot of need for people to serve on advisory committees, and help us reach people all over the country (and world).

5. Contribute to Consistent Life: contributions go a long way in helping us to attend conferences, hold our own workshops and conferences, and produce material relating to the life issues. <http://www.consistent-life.org/join.html>

6. Become a Seamless Garment Community. This lets the world know that your community is pro-life....from womb to tomb

7. Like us on Facebook - <http://www.facebook.com/ConsistentLife!> Explore the many other prolife/whole life communities that are out there.
