

The Consistent Life Network

Consistent Life is a non-profit organization based in Silver Spring, MD, USA, and founded in 1987 as Seamless Garment Network. We are an international network of more than 150 groups and thousands of individuals.

MISSION: We are committed to the protection of life, which is threatened in today's world by war, abortion, poverty, racism, the death penalty and euthanasia. We believe that these issues are linked under a 'consistent ethic of life'. We challenge those working on, or interested in, all or some of these issues to maintain a cooperative spirit of peace, reconciliation, and respect in protecting the unprotected

PURPOSE: Consistent Life is a network uniting many organizations and individuals who support the consistent ethic of respect for life, as expressed in our Mission Statement. We serve the anti-violence community by connecting issues, building bridges, and strengthening the case against each kind of socially-approved killing by consistently opposing them all.

We are non-sectarian and non-partisan. We welcome people of any or no faith and those with varying political philosophies. We seek to be a diverse network united by a common commitment to the protection of all human life.
